Details of written Test for M Tech in Artificial Intelligence at IISc - Admissions 2025

Date: April 15, 2025

Time: 9:00-10:30 am

Venue: Department of Electrical Engineering (EE), Indian Institute of Science (IISc)

Instructions to candidates shortlisted for the written test:

1. Please arrive by 8:00 am on April 15, 2025 at Department of Electrical Engineering, IISc so that you have sufficient time to be seated in the exam hall before starting the test at 9 am.
2. The test will be 1.5 hrs long. The syllabus and a few sample questions are available online at https://ai.iisc.ac.in/mtechai/.
3. No mobile/watch/calculator/electronic devices will be allowed during the test. You can leave them aside in a bag in the exam hall.
4. Carry a valid physical photo ID and a physical copy of the call letter sent to you by mail to be shown during the test. You can use the photo ID that you used during the GATE exam. (No softcopy is entertained)
5. You will only need to carry a pen. There will be space to write the answers in the question paper itself.
6. Participation in the written test is mandatory to be eligible for selection to the MTech program in Artificial Intelligence.

Regards,

Convenor PCC, MTech AI
